Kurds Pillage a Monastery.

Constantinople, July 18.—News has reached here that the Armenian monastery at Surpagan, near Erzingan, Turkish Armenia, has been pillaged by Kurds. A number of the monks, the advices say, were seriously injured, and all portable property was carried off by the robbers. The affair created a panic in the district, and a similar panic prevails in the district of Sassun, where another massacre is feared. Three villages have already been abandoned by their inhabitants.

Are you about to build? If so see that your builder's contract has a clause providing that the structure shall be erected by union labor which will insure you of good work and a job completed without delay. Per order Union 451, Carpenters and Joiners of America. A. B. Lane, secretary.
